

「Kobe-Kansai Airport Bay Shuttle」 Timetable of alternative buses in case of boat cancellations

Thank you for using KOBE-KANSAI AIRPORT Bay Shuttle.

In the case that the Bay Shuttle service is cancelled due to low pressure or other reasons, the alternative buses will be operated according to the timetable below.

The buses with gray letters will not operate, so please change your reservation to the earlier or later boat.

The alternative bus service is scheduled to take approximately 90 minutes.
